

A Sadness in My Heart

Verse 1 There is a sadness in my heart
 That I really can't express.
 There's a yearning deep inside
 For complete happiness!

Verse 2 It's no matter where I go
 Or whatever I may do --
 There's a sadness in my heart
 Just because I think of you.

Verse 3 The years have passed us by
 We're a thousand miles apart.
 Will it ever go away --
 This sadness in my heart?

Verse 4 There's a sadness in my heart
 Time alone cannot erase --
 This scar burnt by someone
 That I never can replace.

Chorus There's a sadness in my heart
 Will it ever go away?
 No matter where I go --
 It's always there to stay!
