

Help Me To Be Strong!

Help me to be strong, Lord,  
Growing, learning, today;  
Mentally, physically,  
In each and every way.

Help me to grow in love,  
In perfect harmony,  
Midst discord and trials -  
The good to find and see.

I need you, Lord, my God,  
To guide throughout my life,  
Mending pieces broken,  
Through struggles and the strife!

Help me to be strong, Lord --  
I am weak, as you do know.  
I need your help, your strength,  
To meet and fight the foe!

The need for God seems more  
As years move fast along.  
In days that are ahead --  
**Help me, Lord, to be strong!**
